Department of Home Science and Fashion Technology organized seven day National Workshop on Enhancement and Professional Entrepreneurship Skills in social science dated 27-01-2023 to 2-02-2023 in College Campus. The workshop formally inaugurated with Lightening of Lamp by Honorable Guest Ms. Seema Chaturvedi President NGO Connect Signal and Mr.Sunil Chaturvedi Secretary NGO Connect Signal., Dr. Keshav Badaya Hon. Secretary, St. Wilfred's Education Society and Dr. Manisha Tiwari Principal, St. Wilfred's College for Girls felicitated all the Dignitaries by Shawl, Saafa and Memento.

On this occasion of National workshop In **Session 1, Mr.Sunil Chaturvedi** connect signal Jaipur, **deliver the lecture** and said that this an entrepreneurial mind-set is becoming increasingly important in the field of social science. In today's rapidly changing world, professionals in social science must be equipped with the skills needed to identify and solve complex problems, take risks, and innovate.

Entrepreneurship skills are particularly important for those interested in pursuing careers in consulting, research, or other private sector roles. These skills can also be valuable for individuals who want to start their own businesses or work as independent consultants.

Entrepreneurial social scientists should be creative problem-solvers, able to generate new and innovative solutions to complex challenges .Entrepreneurs are comfortable with taking calculated risks, and are willing to learn from their failures in order to improve their chances of success. Entrepreneurs must be flexible and adaptable in the face of changing circumstances, able to pivot and adjust their approach as needed. The entrepreneurship, social scientists should possess a strong understanding of business principles and practices, including marketing, finance, and operations.

Networking: Entrepreneurs must be able to build and maintain professional networks, developing relationships with potential partners, collaborators, and investor.
