## Report Workshop on seven day Faculty Development on “Enhancing Approach in Education”

Organized by Department of Arts & Humanities

St. Wilfred's College for Girls

The seven day Faculty Development on Enhancing Approach in Education beginning from 16-05-2022 to 22-05-2022. The objective of this faculty development program is to equip educators with innovative and effective approaches to enhance their teaching methodologies and improve student learning outcomes. By exploring various educational strategies, the program aims to empower faculty members to create engaging and inclusive learning environments that cater to the diverse needs of students. In this context, the seven day workshop was organised by the Department of Humanities at St. Wilfred's College for Girls, Jaipur, to enrich our knowledge on “Enhancing Approach in Education. The workshop adopted a presentation-lecture-discussion process. The workshop started with an inaugural session and was formally inaugurated with the lighting of a lamp by Honourable Guest Dr. Vinod Bhardwaj, LBS Govt. College, Kotputali, Jaipur, Dr. Lalita Yadav, Dept. of Economics, LBS, Govt. College, Kotputali, Jaipur, Dr. Keshav Badaya, Hon. Secretary, St. Wilfred's Education Society; Dr. Manisha Tiwari, Principal and convener of the workshop; Dr. Mani Bharti, organising Secretary of the workshop; all the faculty members of St. Wilfred's College For Girls; and participants from various colleges. In her welcome address, Dr. Vinod Bhardwaj briefly mentioned the faculty development program on "Enhancing Approach in Education" aims to equip educators with the necessary knowledge and skills to implement innovative and effective teaching strategies. By adopting a student-centered approach, integrating technology, and fostering inclusive and collaborative learning environments, faculty members can enhance the quality of education and create a positive impact on student learning outcomes. After the welcome address, an attractive deliberation was presented by Dr. Lalita Yadav in which she talked about the Enhancing Approach in Education A faculty development program focused on enhancing approaches in education benefits not only individual educators but also the institution as a whole. When faculty members acquire new skills and knowledge, they contribute to the overall growth and development of the institution. Improved teaching practices lead to higher student satisfaction, increased student enrollment, and a positive reputation for the institution. It also strengthens the academic community and promotes a culture of excellence in teaching and learning. In summary, a faculty development program on "Enhancing Approach in Education" is essential for the professional growth of educators, the quality of education provided, and the overall success of students. By investing in faculty development, institutions demonstrate their commitment to continuous improvement, innovation, and creating an optimal learning environment for students. The principal, Dr. Tiwari, in her speech, Faculty members are the key drivers of the education system. Continuous professional development is essential for educators to stay updated with the latest research, pedagogical approaches, and technological advancements. A faculty development program provides opportunities for teachers to enhance their skills, broaden their knowledge base, and improve their teaching methods finally, the vote of thanks was proposed by Dr. Mani Bharti, organizing secretary of program. The programme was conducted from 9.30 a.m. to 4.30 p.m. with three sessions.

**Session 1:** The first technical session began at 11 a.m., and the resource person for this session, Dr. Vinod Bhardwaj discussed the role of teaching and learning in enhancing approaches in education is crucial for the overall development and success of students. Let's explore the roles of teaching and learning in promoting effective educational approaches. Teachers play a vital role in imparting knowledge and

facilitating the learning process. They introduce new concepts, explain complex ideas, and provide guidance to students. Through effective teaching methods, educators can enhance students' understanding and retention of information. Teachers should employ various strategies, such as interactive discussions, group work, hands-on experiments, and technology integration, to actively engage students in the learning process. When students participate actively, they are more likely to understand and retain information.

**Session 2:** The second session of the workshop stated post lunch with a talk by the resource person, Dr. Lalita Yadav, Department of Economics, L.B.S. Govt. College Kotputali Jaipur. She delivered her talk with reference to the learning environment significantly impacts students' motivation and engagement. Teachers have the responsibility to establish a positive and inclusive classroom atmosphere where students feel safe, respected, and valued. Effective teaching involves assessing student progress and providing timely feedback. Assessment methods should align with the learning objectives and provide a comprehensive understanding of students' knowledge and skills. By providing constructive feedback, teachers can guide students' learning, identify areas for improvement, and motivate them to achieve their full potential. A supportive environment encourages students to take risks, ask questions, and actively participate in Session.

**Session 3:** Dr. Tarika Sharma, Department of Psychology, delivered her talk on Faculty development and the art of delivering impactful talks are critical components of enhancing our approach to education. By investing in our faculty members' professional growth, we empower them to become effective communicators, engaging educators, and inspiring mentors. As we implement the strategies and techniques discussed today, let us strive to create a learning environment where knowledge is shared, ideas are nurtured, and students are inspired to reach their fullest potential. Together, we can shape the future of education and make a lasting impact on the lives of our students. The fellow participants had a good interaction with the resource person

**Session 4:** Dr. Kapila Parihar Department of English St. Wilfred's P.G. College Jaipur, deliver her talk on important aspect of educational advancement: faculty development and the art of delivering impactful talks. As we strive to enhance our approach to education, it is crucial to invest in the growth and professional development of our faculty members. Equipping them with effective communication skills and empowering them to deliver engaging and influential talks can have a profound impact on student learning outcomes and overall educational excellence. In this talk, we will explore key strategies and techniques to enhance faculty development and improve the delivery of impactful talks.

**Session 5:** Dr. Manisha Sharma Principal Sanskrati, College, Jaipur, deliver her talk on Enhancing approaches in education directly impacts students in numerous ways, influencing their academic achievements, engagement, and overall well-being. By personalizing learning, promoting active engagement, cultivating positive learning environments, offering relevant curricula, utilizing effective assessment strategies, and focusing on social-emotional development, we empower students to become lifelong learners, critical thinkers, and responsible global citizens. As educators, let us commit to continuously enhancing our educational approaches to provide the best possible learning experiences for our students, ensuring their success now and in the future.

**Session 6:** Dr. Muktika Ahaskar Department of Zoology Sanskrati College Jaipur deliver her talk on Enhancing approaches in education directly impacts students in numerous ways, influencing their academic achievements, engagement, and overall well-being. By personalizing learning, promoting active engagement, cultivating positive learning environments, offering relevant curricula, utilizing effective assessment strategies, and focusing on social-emotional development, we empower students to become lifelong learners, critical thinkers, and responsible global citizens. As educators, let us commit to continuously enhancing our educational approaches to provide the best possible learning experiences for our students, ensuring their success now and in the future.

**Session 7:** Dr. Radha Sharma Principal, Stani Memorial P.G. College Jaipur deliver her talk on the enhancing approach emphasizes ongoing assessment to monitor student progress and inform instructional decisions. Teachers use formative assessments, such as quizzes, class discussions, and projects, to gauge student understanding throughout the learning process. They provide timely feedback, offer individualized support, and adjust teaching strategies based on student needs to ensure continuous improvement. As part of the enhancing approach, teachers engage in continuous professional development and self-reflection. They stay updated on the latest research, teaching methods, and technologies, and seek opportunities to enhance their teaching skills. Regular reflection on their teaching practices helps them identify areas for improvement and adapt their approaches to better meet student needs. Overall, the enhancing approach in education is centered on student engagement, active learning, personalization, and the integration of technology to create a dynamic and effective learning environment. By adopting this teaching role, educators can help students develop the knowledge, skills, and attitudes necessary for success in the 21st century.

The last session was followed by feedback and a valedictory session. The valedictory was graced by Dr. Anju Sharma Department of History S.S. Jain Subodh Girls's College Sanganer Jaipur. The session officially started with the welcome address by Dr. Manisha Tiwari, Principal, St. Wilfred's College for Girls, Jaipur, and convener of the workshop, followed by the felicitation of guests.
