Best Practices

Title of the Practice

“Social Conscience”

Objectives

St. Wilfred's College for Girls goes beyond traditional education by instilling a strong sense of **Social Conscience** in its students as a Best Practice. Recognizing the importance of active citizenship and social conscience, the college has made it a best practice to cultivate social conscience among its students. Through a range of initiatives and programs, St. Wilfred's College empowers its students to make positive contributions to society and become agents of change.

- **Service-Learning Methods and Programs:** St. Wilfred's College integrates service-learning methods and programs into its curriculum, providing students with opportunities to engage directly with local communities and address societal challenges. These programs combine academic learning with practical community service, allowing students to apply their knowledge and skills to real-world situations. By actively participating in service-learning activities, students develop empathy, a sense of civic duty, and an understanding of the social issues affecting their communities.
- **Community Engagement:** The college actively encourages students to engage with local communities through volunteering, internships, and partnerships with nonprofit organizations. By collaborating with community members, students gain firsthand experience in addressing social issues and develop a deeper understanding of the challenges faced by marginalized groups. This engagement not only benefits the community but also fosters a sense of social responsibility and empathy among the students.
- **Social Awareness Campaigns:** St. Wilfred's College promotes social awareness campaigns on various topics, such as gender equality, environmental sustainability, mental health, and social

(Affiliated to University of Rajasthan)

justice. These campaigns involve organizing workshops, seminars, and awareness drives to educate students about pressing social issues.

- By raising awareness and initiating conversations, the college empowers students to become advocates for change, inspiring them to take action and contribute positively to society.
- Ethical Leadership Development: St. Wilfred's College places a strong emphasis on developing ethical leaders who can make a difference in the world. The institution provides leadership development programs that focus on principles such as integrity, social justice, and ethical decision-making. Through these programs, students learn to navigate complex ethical dilemmas, develop a strong moral compass, and lead with empathy and compassion.
- Sustainable Practices: St. Wilfred's College recognizes the importance of sustainable practices in creating a better future for all. The institution implements eco-friendly initiatives on campus, such as recycling programs, energy conservation measures, and awareness campaigns on environmental sustainability. By incorporating sustainability into its practices, the college educates students about their responsibility towards the environment and encourages them to adopt sustainable habits that can positively impact society.

St. Wilfred's College for Girls serves as a model institution in cultivating social conscience among its students. By integrating service-learning programs, promoting community engagement, organizing social awareness campaigns, nurturing ethical leadership, and embracing sustainable practices, the college instills in its students **a deep understanding of social issues** and the motivation to actively contribute to society. St. Wilfred's College empowers its students to become compassionate, responsible, and socially aware individuals who are equipped to tackle the challenges of the world and make a meaningful impact in their communities.

The Context

“Where the mind is without fear, where the head is held high.”

In order to ensure the practical implementation of one of the primary objective of the institution and to adhere to the stated mission statements of the organization that is to nurture intellectual capital of students, to provide conducive environment for proper harnessing of latent talents in students and most importantly to sensitize learner's social & environmental concerns, St. Wilfred's College for Girls is constantly endeavoring to inculcate the **Practice of Cultivating Social**

Conscience in students through numerous activities organized in the college. The pertinence of education is to develop a student foremost a good human being to transfer the knowledge, the skills and the experience s/he gained through the educational journey. The institution provides various schemes to analyze, observe, and identify the social or community problems and come up with remarkable solutions to attain the objective of being an exemplary social being.

The Practice

St. Wilfred's College for Girls is highly committed to build a strong bonded association of such students who can raise a society ideal for all. To inculcate the core value of social conscience and ethics within the students, the College has a framework of a network called 'Sankalp' which is a group of the students and faculties who are the part of planning and execution of the practice in college. The group executes the tasks to accomplish the goals under the practice of social conscience in accordance with the action plans made by the concerned committees and cells in the College.

Moreover, to keep up the good practice the college also award the best student or group of students with 'Abhyuday' Award every year. For this IQAC has entrusted the Conveners and Coordinators of particular committees and the Program Officers of specific govt. programmes that should be established according to the norms laid down by Higher Education, India. The Committees and Government Programs working in college are as follows:

- ◆ Red Ribbon Club
- ◆ NCC, and
- ◆ NSS

The Conveners, Coordinators and Program Officers of these committees and cells are in charge to plan various Programs such as Activities, Camps, Campaigns, Workshops, Oratory, Guest Lectures, Seminars, Counselling Sessions, Talk Sessions and many more things from grass root level to the finishing line. The basic objectives of the Planners are as mentioned below:

- ✚ Planning responsibility of the course of action during the year through RRC, Cultural & Outreach Activity Cell, NSS and NCC in the College.
- ✚ Functional accountability for several activities to be held by the mentioned committees and cells throughout the year in College.
- ✚ Monitoring of the outcomes and review of shortcomings which may remain during any activity.

Jaipur

Principal
St. Wilfred's College For Girls
Jaipur

St. Wilfred's College for Girls

(Affiliated to University of Rajasthan)

- ✚ Amendments in the planned activities on the basis of review and monitored actions.

To carry out the execution adequately IQAC has delegated the responsibility to the members of relevant committees and cells, who further select the student coordinators for greater teamwork during all of the activities to be carried out throughout the span of the academic year in college. Moreover, the members and the student coordinators are also accountable to ensure proper communication from the starting to the end of any activity for smooth functioning and coordination during the execution of any activity to be held in the College.

Evidence of Success

The outcome of constant efforts by the institution is well evident in numerous aspects. Through the network system and strong bond of students with their faculties, enormous students can feel change in their thought process towards the issues related to social and environment now.

Students learnt ethical behavior which is the emerging need of current era. A large number of students not only attended all the programs, events and activities; they are now able to make changes for the one who are underprivileged. Moreover, the institution has signed divergent MoU with NGOs and agencies which is a more accurate step towards cultivating social conscience and sensitization in students. Moreover, students have done remarkable work for the elevation of weaker sections of society and a sustainable environment through several activities. The evidence of success can be summarized under following heads:

- The College has **30** functional **Memorandum of Understanding** with eminent institutions. Recently a MoU has been successfully signed with **Pedagogium WSNS W. Warszawie, University in Poland** and NGOs named 'DEESOO Eco Bag', 'Root Cure Labs', 'Community for Safer Roads', etc. by the College specifically for developing a Sustainable Environment and an Inclusive Environment.
- A **Village** named 'Mangyawas' outskirts in Jaipur is **adopted** by NSS cell in association with Internal Quality Assurance Cell of the College.
- More than 1500 students in the College has been connected through a social networking site in a single thread, which is associated through various activities in which they donate several necessities and services in different villages. Such as:
 - Teaching the underprivileged kids in village

- Donating clothes to needy ones
 - Sapling Plantation in village
 - Donating Sanitary Pads and Face Masks to needy females in village
 - Donating food stuffs to needy kids in slum areas
 - Crackers Distribution to needy people on Diwali Celebration
- Organization of numerous camps and activities like Blood Donation, Free Health Check-up, Commemorative day's celebration, Guest Lectures and Seminars in college.
- Conducting several indoor and outdoor social activities for students through NSS, NCC, Outreach Cell, and Red Ribbon society.
- Arranging sundry campaigns, counseling session, talk session and one to one consultation programs to spread awareness of social responsibilities in students.
- Organizing workshops, awareness programs to instill civil sense and ethics in students.

Problems Encountered and Resources Required:

Gathering the enough resources to meet with the needs of underprivileged section of society has always been a considerable problem when it comes to addressing and implementing responsibilities for society. The students often feels discontented when they are not able to distribute the supplies equally to all the needy ones. Moreover students also feel to manage their parent's mindset towards the tasks given to students for accomplishing the objectives. However, faculties in charge of activities always try to get best out of students for the desired outcome.

(Affiliated to University of Rajasthan)

was turned out to be a successful event and head of the institutions appreciated the efforts of college staffs.

- **One-day Seminar on Molecular Biology** was organized for students of Dept. of Zoology on 12th December 2022. The resource person was Dr. RD Choudhary, Assistant Professor, Dept. of Zoology, University of Rajasthan. He enlightened students about the field of molecular biology, current themes and future prospects. The guest lecture was followed by an interactive session in which students and faculty members got their doubt cleared. The lecture ended with vote of thanks by Head of the department Dr. Pawan Soni and Principal ma'am congratulated the department for organizing the lecture.
- A **Guest Lecture** was organized **on the Life of Swami Vivekananda** on 17th September. The resource person was Mr. Anurag Saxena, Member Nachiketa Foundation. One Essay competition was also organized in which NSS volunteers participated enthusiastically and prizes were distributed to the winners in the end.
- A **one-day Workshop on Stress Management** through Art was organized for the students of psychology department on 2nd February. Resource person of the workshop was Ms. Surbhi Khandelwal, Associate Clinical psychologist (RCI) enlightened students about the relevance of art therapy, career options and conducted a guided art relaxation session. She conducted mandala drawing session as a source of relieving stress. Session was followed by an open-ended discussion where students asked their queries and enjoyed the session.
- Entrepreneurship Cell of St. Wilfred's College for Girls organized **Seven Day's Workshop on Enhancement and Professional Entrepreneurships Skills in Social Science** from 27th January to 2nd February. The purpose of the workshop was to enhance various skills and expertise that will assist them in professional field.
- An **Educational Visit to SMS Psychiatric Centre** was organized for students of Dept. of Psychology on 22nd December. This brief but intensive field trip provided first hand practical insight into the workings of a mental hospital and the day-to-day activities of mental health professionals. The major objective of the field trip was to get students to relate their classroom knowledge of symptoms and treatments of mental disorders to the real-world setting, observing similarities as well as discrepancies.
